About the Community Resource Team

The South Brunswick Community Resource Directory was created to help residents identify or locate important resources and contact information within the township. It has been organized and distributed by the South Brunswick Township Community Resource Team (CRT).

The CRT is a partnership of organizations, agencies and citizen groups within South Brunswick Township whose mission is to foster community well-being and to provide the resources necessary for the community to address the four phases of emergency management—mitigation, preparedness, response and recovery.

The Community Resource Team serves at the pleasure of the Township Manager, Chief of Police, Superintendent of Schools and the Chairperson of the Interfaith Clergy. The partnership includes representatives from the following organizations and agencies:

*Township Government
Township Police
Township's Public Health Department
Township Social Services
Township School District
South Brunswick Clergy Association
Community Service Organizations
Mental Health Agencies, including UMDNJ School-based Youth Services*

The CRT continues its partnerships to ensure the availability of services and programs throughout South Brunswick Township. Relationships and effective communication among key community leaders are the means by which needs are identified, ideas shared and solutions are created. At times of overwhelming need such as sudden death, loss due to fire, wide spread illness or multiple injury, CRT would respond and help manage recovery over time.

The CRT continues to seek membership that is representative of South Brunswick's diversified community. If you would like to become involved, or for more information, contact co-chairmen George Scott at (732)297-7800, Ext. 3135 or Steven Papenberg at (732)329-4000.

The South Brunswick Resource Directory is only a useful document if it is accurate and regularly updated. If a resident or organization has a useful resource that would benefit other residents, please contact Steven Papenberg at (732)329-4000.

South Brunswick Township

South Brunswick Township is a large, rural-residential community encompassing nearly 42-square miles in southern Middlesex County. South Brunswick Township is comprised of Dayton, Deans, Kendall Park, Monmouth Junction and Kingston.

The township is one of the fastest growing communities in central New Jersey and is located between New York City and Philadelphia, making it an attractive area for families to relocate. US Route 1 divides the community in half, with Route 27 on the West and the New Jersey Turnpike on the East.

Over the past 25 years, the township population has grown by more than 15,000 residents. Today, nearly 40,000 residents call South Brunswick their home.
